# Local Housing Strategy Roadmap

## Phase A

### Lay the groundwork for a successful housing strategy

- A1: Build support for developing a local housing strategy
- A2: Assess and build local capacity
- A3: Set process goals and scope
- A4: Create a work plan for developing a local housing strategy

*Learn more about these steps*

## Phase B

### Prepare a local housing strategy

- B1: Analyze local housing needs
- B2: Define policy objectives
- B3: Establish goals to meet policy objectives
- B4: Identify an array of local policy tools
- B5: Identify funding sources
- B6: Develop an implementation plan

*Learn more about these steps*

## Phase C

### Monitor and update a local housing strategy

- C1: Develop a monitoring plan
- C2: Report periodically
- C3: Adjust strategy as needed
- C4: Periodically update the strategy

*Learn more about these steps*
